

Speakers for Upcoming Colony Meetings

Do you have a presentation that you would be willing to present to your colony or another California state colony? Do you know of a great speaker?

We are compiling a list of speakers who would be willing and able to present an approximately 30-45 minute presentation on a related Mayflower topic to one or more of our colonies. If you are or know of a speaker, please contact Kathy Loftman at loftman@earthlink.net and provide the following information:

- Name of speaker
- Contact information
- Topic or title of presentation
- Available timeframe (2018-2020)
- Length of presentation
- Colonies or geographic areas where the presentation could be held
- Other requirements/comments for the presentation
- Your name and contact information, if different from speaker

We plan to share this information with our colony governors for future program planning.

Thank you in advance for your input and support!
