Standing Rules

June 17, 2023

Standing rules are rules which are related to the details of the administration of a society rather than to parliamentary procedure, and which can be adopted or changed upon the same conditions as any ordinary act of the society (i.e., at a meeting of the Board of Assistants). If a Standing rule is adopted by the Executive committee, like all other adoptions, it must be ratified at the next meeting of the Board of Assistants.

Standing rules are adopted individually when the need arises. A Standing rule can be adopted by a majority vote without previous notice, provided that it does not conflict with or amend any existing rule or act of the society.
